

LEARN HOW TO DRAW

CUTE CHIBI CAT

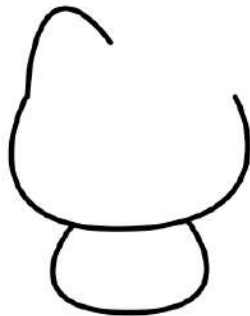

1. Draw half oval shape

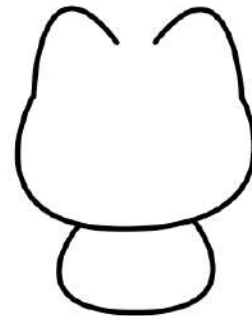

2. Draw another half oval right below the first one

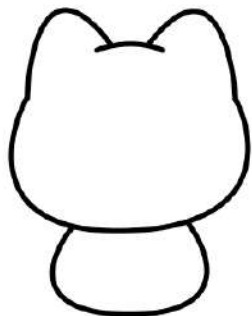

3. For ears we will draw another half oval shape, this will be more like half egg shape

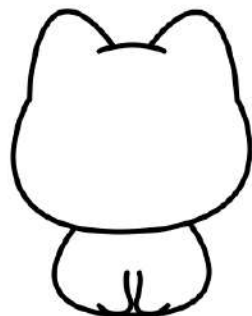

4. For the other ear draw the same half oval/half egg shape

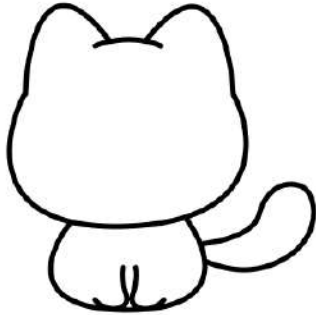

5. Connect both ears at the bottom with a line that is bent a bit upwards

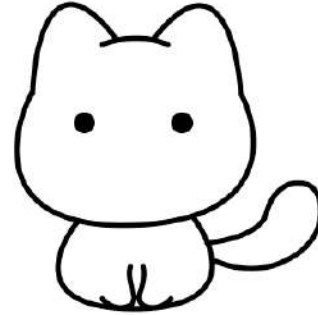

6. To draw the left leg, imagine the shape of capital letter J, for the right leg do a mirror drawing of the left leg

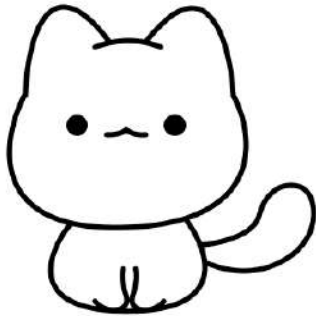

7. For the tail draw this sausage looking shape that is a bit thinner at the end where it connects with the cat

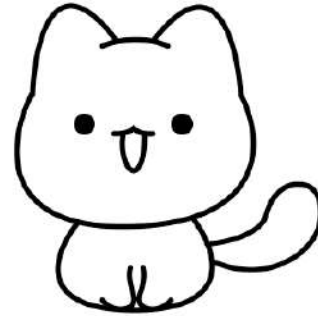

8. Draw both eyes with two round dots

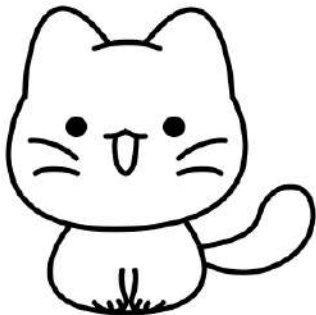

9. For the top of the mouth draw a small wave like shape

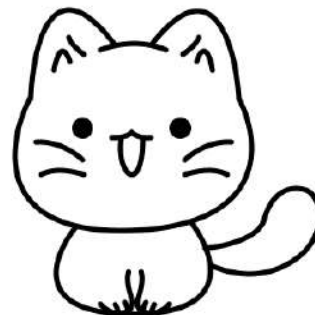

10. Draw the mouth with long half oval shape

11. Add whiskers on both sides of the cat with two bent lines as well as lines for the feet

12. Add remaining details for both ears with half circle and bent line

WOW! YOU ARE ALL DONE
GOOD JOB!
